I figured footer would carry over from your master WSA Word template and that you would only need the table.

Here is full version of WSA document, with all post-BAR meeting changes accepted.

Thanks

Yvonne,

As we discussed on the phone a few minutes ago, attached is p.10 (Table II) of WSA.

Yvonne,

Please see link to updated (post-BAR meeting) Appendices; the only change was to the last page (WSA reference page numbers adjusted).

I also placed mark-ups for WSA in your in-box and will discuss with you when you are ready.

Thanks!
