Oh – in a case like that, do we leave it in or take it out from the list.

Got it on the Kaiser address, although I'm pretty sure that the project is no longer being proposed there, as an OSH is under construction there now.

Hi Alejandro,

I'm sending the figures in three parts again… So sorry that I didn't send these on Monday.

First part has Figures II-4 through II-15.

Second part has Figures II-16 through II-29.

Third part has Figures II-30 and II-31.

FYI -- I'm also attaching an LADOT letter regarding the Kaiser Expansion (Related Project No. 57) at 4905 Hollywood Boulevard. You and Will asked if we made a mistake and sited that project on Hollywood Boulevard instead of Sunset

Boulevard where the main Kaiser facility is. The Related Projects List in Section III and related projects tables throughout the document are correct.

Thanks!

Madonna
