The item involves the presentation of, *and request for action consistent with*, a court issued Writ in *Svitek v. City of Los Angeles et al.*, LASC Case No. BS148145, and upheld in Appellate Court Case No. B268745. The Writ commands the West Los Angeles Area Planning Commission ("WLA APC") to set aside and reconsider its February 28, 2014 determination concerning the height limitation applicable to 200 N. Arno Way in light of the court's decision. The court decided that the Department of Building and Safety correctly permitted a height of 37.9 feet for the dwelling at 200 N. Arno Way, pursuant to LAMC section 12.21.1, which provides a 45 foot height limitation for residential structures in the coastal zone.
