1. **OPEN:** The Advisory Agency will introduce himself/herself and open the meeting with date and time. City Agency representatives and Planning staff will introduce themselves.
2. **CASE PRESENTATION:** The City Staff will summarize 1) the request to subdivide the property, 2) the request for any other cases directly related to the subdivision, 3) written reports from City agencies, 4) all correspondence received, and 5) staff recommendation. Any City Agency may submit additional written or oral comments at this time.
3. **PUBLIC HEARING:**
 - a. The subdivider or his/her representative will be first to speak (state name and address for the record): 1) Advisory Agency will ask if they accept the conditions as recommended by staff; 2) a brief presentation may be made; 3) any questions or concerns about any of the proposed conditions may be raised at this time. (Note: City Agency representatives may take notes and receive any material relevant to questions or concerns raised by the subdivider but will hold their responses until the end of the proceedings.)
 - b. Anyone in the audience may speak on the case. There are no speaker cards. Speakers must state their name and address for the record. Speakers will be limited to 3 minutes. This is the time when the City agencies consider all of the information received on the case.

6. **NOTIFICATION:** Persons speaking should sign in on the pink sign in sheet in order to receive a copy of the determination letter when it is issued. All cases acted on by the Advisory Agency can be further appealed to an Area or Citywide Planning Commission. This appeal information will be included in the letter of determination.
