REQUESTED ACTION: The Zoning Administrator will consider:

1. Los Angeles Police Department police call and arrest report documentation of: assault with deadly weapon, sell/possession of narcotics, prostitution, battery, robbery with deadly weapon, burglary, vandalism, manufacturing/selling/possessing a dangerous weapon, keeping a disorderly house, and receiving known stolen property. These activities are jeopardizing and/or endangering the public health and safety of persons residing or working on the premises or in the surrounding area, thereby constituting a public nuisance, and contributing to the deterioration of the adjacent community. The activities occurring in and around the premises have generated numerous police responses thereby straining the resources of the Police Department.

The environmental document will be among the matters considered at the hearing. The decision maker will consider all the testimony presented at the hearing, written communication received prior to or at the hearing, and the merits of the project as it relates to existing environmental and land use regulations.

Authority: The Director of Planning, through the Office of Zoning Administration, has the authority to revoke the use or impose corrective conditions on the operation of the existing business as a motel under Section 12.27.1 (land use impacts caused by any use) of the Los Angeles Municipal Code.

Exhaustion Of Administrative Remedies: If you challenge a City action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence on these matters delivered to the Department before the action on this matter will become a part of the administrative record. Note: This may not be the last hearing on this matter.

Advice To Public: The exact time this report will be considered during the meeting is uncertain since there may be several other items on the agenda.
