The City's Mobility Plan designates 8<sup>th</sup> Street as a "Collector Street" requiring a half street right-of-way of 33 feet. Eighth Street along the subject site has an existing half street right-of-way of 40 feet, 7 feet more than what is required. The request is to merge the excess seven feet to the subject site. No construction is proposed as part of the Project.

**REQUESTED ACTION:** The Deputy Advisory Agency shall consider:

1. Pursuant to Sections 17.03 and 17.10.1 of the Los Angeles Municipal Code (LAMC) consideration of a **Vesting Tentative Tract Map** for a merger and resubdivision.

2. Based on the whole of the administrative record, the Project is exempt pursuant to CEQA Guidelines, Section 15305, and there is no substantial evidence demonstrating that an exception to a categorical exemption pursuant to CEQA Guidelines, Section 15300.2 applies.

The purpose of the hearing is to obtain testimony from affected and/or interested persons regarding this project. The environmental document will be among the matters considered at the hearing. The decision maker will consider all the testimony presented at the hearing, written communication received prior to or at the hearing, and the merits of the project as it relates to existing environmental and land use regulations.

**EXHAUSTION OF ADMINISTRATIVE REMEDIES:** If you challenge a City action in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence on these matters delivered to the Department before the action on this matter will become a part of the administrative record.
