PROPOSED PROJECT: A Vesting Tentative Tract Map for the demolition of two single-family residences and the construction, use, and maintenance of five (5) small lot homes on a 8,108 net square-foot lot. Two parking spaces will be provided for each new small lot home and will be located within private garages.

The purpose of the hearing is to obtain testimony from affected and/or interested persons regarding this project. The environmental document will be among the matters considered at the hearing.
