Mr. Williams,

Pursuant to my conversation today with Mr. Jordann Turner at the planning department, the ownership is requesting a continuance of the above matter, currently set for February 14, 2019, to March 14, 2019.

The applicant is willing to extend the time for the Planning Commission to hear this matter.

Please send me written once the continuance is confirmed. Please feel free to contact me if you have any questions or concerns. Thank you

Michael Jang

Mr. Jang,

Please ensure that someone from your team is present at the meeting, as the Commission may have questions and you will need to agree to an extension of the time on the record.

Much appreciated,
