Re: Crossroads Hollywood Project  
CASE NOS. ENV-2015-2026-EIR; CPC-2015-2025-ZC-HD-MCUP-CU-ZV-SPR; VTT-73568

The Department of City Planning, Major Projects Section, has completed its review of the application materials for the Crossroads Hollywood Project, at 1540–1552 Highland Avenue; 6700–6760 Selma Avenue; 6663–6675 Selma Avenue; 1543–1553 McCadden Place; 1542–1546 McCadden Place; 1501–1573 Las Palmas Avenue; 1500–1570 Las Palmas Avenue; 1600–1608 Las Palmas Avenue; and 6665–6713½ Sunset Boulevard.

The Project is located on 29 individual parcels across four City blocks in the Hollywood Community of the City of Los Angeles. Existing on-site uses include residential, commercial/retail, office uses, surface parking lots, and the Crossroads of the World complex (Crossroads of the World), a designated historic monument that includes low-density commercial and office uses. The Project would remove all existing uses except Crossroads of the World, which would be retained, rehabilitated, and integrated into a new mixed-use development comprised of eight new buildings housing residential, hotel, commercial/retail, office, and restaurant uses. Upon build-out, the Project would include approximately 950 residential units, 308 hotel rooms, 95,000 square feet of office uses, and 185,000 square feet of commercial/retail uses, totaling approximately 1,432,500 square feet of floor area. Building heights would range from 3 to 32 floors. New, below-grade parking up to a maximum of five levels would be provided for all portions of the Project.

With the application and supplemental information provided, the Department of City Planning finds that the case file(s) contain sufficient information to satisfy the processing of the requested entitlements associated with the Project and is hereby deemed complete. Please note that this determination has been made with the understanding that the Department of City Planning may request additional information, as necessary, to review and analyze the environmental effects of the proposed Project in accordance with the California Environmental Quality Act, the Los Angeles Municipal Code, and other Departmental policies and plans, as appropriate.

Sincerely,

  
Luciralia Ibarra  
Senior City Planner  
(213) 978-1378
