**PUBLIC HEARING** – Completed on March 20, 2018

**PROJECT SITE:** 14665 West Roscoe Boulevard  
14665 – 14697 West Roscoe Boulevard; 8300 – 8406 North Cedros Avenue;  
8321- 8413 North Tobias Avenue

**PROPOSED PROJECT:**

A mixed-use development consisting of up to 422 multi-family residential units and approximately 200,000 square feet of commercial uses, located within seven buildings totaling approximately 584,000 square-feet of floor area on an 8.9-acre site. Two seven-story residential buildings (five stories of residential over two levels of above-ground parking) would be located along the western and northern portions of the site. Commercial uses would be located within five separate one- and two-story buildings on the eastern and southern portions of the site and would be served by a six-level parking structure within the center of the property. The Project includes demolition and removal of three existing vacant commercial buildings totaling 172,500 square feet of floor area and associated surface parking areas.

*Recommended Project (Alternative 5 – Reduced Commercial Project):* A mixed-use development consisting of up to 675 multi-family residential units and approximately 60,000 square feet of commercial uses, located within four buildings totaling approximately 675,000 square-feet of floor area on an 8.9-acre site. Two six- and seven-story residential buildings (four or five stories of residential over two levels of above-ground parking) would be located along the western, northern, and central portions of the site. Commercial uses would be located within two separate one-story buildings on the eastern and southern portions of the site, separated by an approximately 17,000 square-foot plaza, and served by a central surface parking lot and ground-floor parking areas within the residential structures. The Project includes demolition and removal of three existing vacant commercial buildings totaling 172,500 square feet of floor area and associated surface parking areas.

*\*Note: Since the March 20, 2018 public hearing, the project has been reduced to 623 dwelling units and 571,146 square feet of total floor area, and no change to the 60,000 square feet of commercial floor area.*

**REQUESTED ACTIONS:**

1. Pursuant to Section 21082.1(c)(3) of the California Public Resources Code, the consideration and certification of the Draft EIR, ENV-2016-1061-EIR (SCH No. 2016081031), dated April 2017, the Revised Draft EIR, dated August 2017, the Final EIR, dated February 2018 (The ICON at Panorama Project EIR), and Errata, dated March 2018 for the above-referenced project, and adoption of the Statement of Overriding Considerations setting forth the reason and benefits of adopting the EIR with full knowledge that significant impacts may remain;
