3. Find, pursuant to CEQA Guidelines Section 15074(b), after consideration of the whole of the administrative record, including the Negative Declaration, No. ENV-2016-1277-ND ("Negative Declaration"), and all comments received, there is no substantial evidence that the adoption of the Home Sharing Ordinance will have a significant effect on the environment; find that the Negative Declaration reflects the independent judgment and analysis of the City; and adopt the Negative Declaration;
