POLICY FOR DESIGNATED PUBLIC HEARING ITEMS

Pursuant to the Commission’s general operating procedures, the Commission at times must necessarily limit the speaking times of those presenting testimony on either side of an issue that is designated as a public hearing item. In all instances, however, equal time is allowed for presentation of pros and cons of matters to be acted upon. All requests to address the Commission on public hearing items must be submitted prior to the Commission’s consideration on the item. EVERY PERSON WISHING TO ADDRESS THE COMMISSION MUST COMPLETE A SPEAKER’S REQUEST FORM AT THE MEETING AND SUBMIT IT TO THE COMMISSION EXECUTIVE ASSISTANT.

Written submissions are governed by Rule 4.3 of the North Valley Area Planning Commission Rules and Operating Procedures. All submissions within 48 hours of the meeting, including the day of meeting are limited to two (2) pages plus accompanying photographs, and must include the case number and agenda item number on the first page. 12 hard copies must be submitted to the Commission Executive Assistant the day of the meeting. Electronic submissions will not be accepted within this time period. Submissions that do not comply with these rules will be stamped “File Copy, Non-complying Submission.” Non-complying submissions will be placed into the official case file, but they will not be delivered to or considered by the Commission, and will not be included in the official administrative record for the item at issue.

The Commission may RECONSIDER and alter its action taken on items listed herein at any time during this meeting or during the next regular meeting, in accordance with the Commission Policies and Procedures and provided that the Commission retains jurisdiction over the case. In the case of a Commission meeting cancellation, all items shall be continued to the next regular meeting date, or beyond, as long as the continuance is within the legal time limits of the case or cases.
