Dear Council Member Ryu,

As a resident of Los Angeles who lives on Sunset Blvd., I became very excited when I first heard word of the project at 8150 Sunset Blvd. through contact with someone at my door. I look forward to seeing Los Angeles increasing both its stock of magnificent architecture and of low-income housing. This project provides the artistry and living quarters that we as a city need to grow into this century. I hope you and the other council members will also see its value and approve this project.

Lauren Madison-Jamar
7160 Sunset Blvd
Los Angeles, CA 90044

Support for 8150 Sunset 2

Dear Councilmember Ryu,

Los Angeles County has the largest shortfall of homes affordable to low-income families in California.

Many of those families live in unhealthy or unsafe conditions, crowd multiple people into each room, and still pay more than 50 percent of their income on rent. Many others are homeless

The lack of affordable housing is a crisis that affects our City's ability to continue to be a home and pathway to a thriving and productive population.

I challenge you to support the 8150 Sunset development's affordable housing residences to ensure that Los Angeles remains affordable to the working families and children in the City for whom the affordability crisis has had a devastating impact.

Thank you,

Lisa B. 4353 Exchange Ave

Los Angeles Ca 90058

Dear David Ryu & Councilmembers,

I am writing you today to give my approval for the design by Frank Gehry. Frank Gehry is a wonderful architect who has roots in Los Angeles. I have seen the Walt Disney Concert Hall here in Los Angeles and it is beautiful! I'd like to see another unique building that we can all appreciate.

I live not too far from the proposed development at 8150 Sunset Boulevard. There are quite a few high volume restaurants and retailers there currently and traffic driving past that property down Sunset is almost always heavy, and for what? The current businesses at 8150 SUNSET could benefit from an upgrade for such a beautiful part of town. The new mixed use development will not only be beautiful but it will provide hundreds of homes for many people of various economic backgrounds. I can't think of a better way to occupy the lot considering there will be no significant traffic increases.

I want to see this flourish, I fully support this project!

Gail,

Thank you so much for reaching out to our office in regards to the project at 8150 Sunset Blvd. Community input has been overwhelming and our Planning Staff has attended several community forums including those hosted by the Hollywood Hills West Neighborhood Council. Please know we received and have read your email and take your considerations and input seriously.

Thank you again,

Julia
