

## Local Transit

AVTA has 40 local transit coaches. Transit vehicles seat 38 to 40 passengers and have 2 wheelchair positions. They are ramp-equipped and the front steps can be lowered for passengers who have difficulty boarding. Operating hours are from 6:00am to 11:00pm Monday through Friday and 7:00am to 7:00pm on Saturday and Sunday. AVTA provides supplemental routes that operate during peak times. Transfer Centers are located at Lancaster City Park and at the Palmdale Transportation Center.

To assist you with trip planning, AVTA is linked to the Metropolitan Transportation Authority's trip planning software. You may access the service by clicking [Metro Trip Planner](#). Be sure to enter correct starting and ending addresses.

Passengers should note that the last runs may be delayed slightly from the time schedule as all outbound buses will wait for connecting buses.
