Good Morning Laurie,

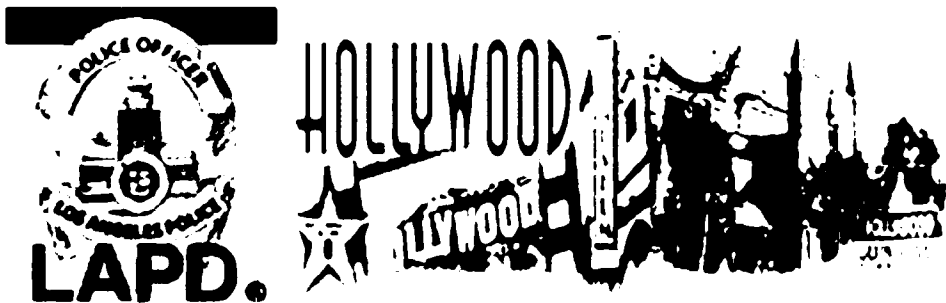

CD 13 Field Deputy Dan Halden asked that I reply to your questions regarding the meeting that has been booked in our Community Room on Saturday, November 14th at 1:00 p.m.

- 1.) This building is unlocked during normal business hours, however, this meeting is not booked during normal business hours and someone will have to go to the Hollywood Station "Front Desk" and ask for the door to be opened for your meeting. This building does not have an assigned Security Guard and due to Homeless persons have accessed this building during off hours, we ask that the doors not be propped open and that the last person exiting your meeting does a sweep of the corridors to ensure no one has slipped into the building.
- 2.) There will be City vehicles and City employees vehicles parked in our South Parking Lot, there may be available street parking for your attendees.
- 3.) Unfortunately the restrooms self-lock. You can ask an officer to unlock the restrooms and prop them open. We cannot leave a key for the restroom as it is the same key that unlocks this building.
- 4.) We have a meeting from 0700-1230 hours that day. So if you would like to arrive at 12:30 hours that should be fine.
- 5.) We do have several tables and around 40 chairs for your meeting. We do ask that you leave the room in the condition that you found it and we also ask that no food be brought in.

Should you have any questions, please contact me at (323) 871-4068.

Thanks Heather

Hi Dan!

Planning Dept. wants me confirm the following:

1. HCC will be open (we don't need a key)
2. Parking lot will be open
3. Tables and chairs are available in the large conference room
4. Bathroom key? (when I was VP at CHNC, the bathroom key was in the room – don't know if that has changed.)
5. Okay to arrive at 12-12:15 to set up for Scoping Meeting.

BTW: Chris Robertson from your office will be attending Scoping.

Thanks much!

Hugs,

Laurie

Howdy -- I'm back in LA and wanted to follow up on my email below -- any luck securing the room for the Planning Department? They need to approve the NOP tomorrow, so I'm in a crunch to help Luci with the room. BTW: it's the Large Conference room.

Thanks much!

Love,
Laurie
