Subject: RE: Crossroads Hollywood Project WSA - 2015 UWMP

Board date for 2015 UWMP is 5/17 and it will take City Council approval of a few weeks (close to 6/21 WSA target Board Date).

After that, we submit to DWR by 7/1/16, and there is a small chance we will get comments to address.

However, we will likely not need to go back to the Board for any final revisions.

Please simply tell Applicant that we are planning for 2015 UWMP as being the basis for this WSA approval to the Board, barring any highly unusual circumstances.

Thanks

Earl,

Since we said at the meeting we'll get back to them today...should we ask Delon if this WSA will be prepared based on 2015 UWMP? Would we need to contact the city attorney? We are targeting 6/21/16 board meeting.
