We really just need the impact area and a ballpark dollar amount that we could identify potential improvements to cost out.

We would need a few hours of OT to do some crash analyses for the impact area to identify candidate improvements.

Hi Tim,

We are reviewing that big project in Hollywood that we talked about. What type of information would you need to provide some input on it? The project is located on the northeast corner of Sunset Bl & Highland Av. We have pdf of the study and a hard copy.

Thanks,

Wes
