Hi Emily,

We are almost ready to have the letter available to you for review. I would like to run one recommendation by you. We are going to recommend that the applicant complete the three RRFB locations (requested by Vision Zero) and reduce the NTM contribution to \$250,000. Let me know what you think.

Thanks,
Wes

Hi Emily,

I am forwarding you the list of improvements we have come up with from the various groups here at LADOT. There still might be some controller upgrades or other small ATSAC/ATCS upgrade items added to the list.
