Hi Alejandro,

This email should suffice as the request for our emails. I've copied Wes so that he can inform his staff to retrieve their emails related to the Crossroads project. We'll likely combine them and send them in a pdf - is that acceptable? Or do you prefer 1 file of emails per staffer?

Hi Tom. Regarding the project referenced below, Planning will need any internal emails DOT has regarding the project for purposes of creating an electronic administrative record. Does DOT have a protocol for this, or does this email suffice for this request? If this email is fine, we'd like the emails by the end of the month.
