ITA would be great so long as we have an opportunity to review before posting. Will you redact all personal info?

Sorry, and as a follow up, let me know how/what steps you'd like us to take here; i.e., ITA search. FYI, I've reached out to John Fox at the City Attorney's, so I'll work with him.

Hello Chris,

I hope you're well. In preparation for when we release the Draft EIR for Crossroads Hollywood, I'll need your emails related to the project because the project is an AB 900 ELDP project so we'll need to create an online administrative record. Could you please match any attachments to their original emails? Let me know if you have any questions.

Sincerely,

ALEJANDRO A. HUERTA
