Hi Kyndra,

Happy New Year!

I just wanted to follow up on this meeting because I never heard back on alternate dates.

To be clear, as I said before, our office does not support releasing the DEIR at this time because to our knowledge, very little community outreach has happened and we have concerns about the scale of the project that we need to discuss. Once we have this meeting, we will have a better understanding of just how far away we are.

Thanks,

Chris Robertson, AICP, LEED AP

Hi Chris,

As it turns out, a number of team members are out on vacation next week. Also,
Mort and Linda will be on vacation as well.

We will need to find another time.

Thank you!

Best,
Kyndra

Hi Kyndra,

Nice chatting yesterday. This time of year is tough to pull everyone's calendars together, but here are a couple of dates that we are available the week of 12/19. I'm having trouble locking down more than that. Let me know if either of these work for you. It would probably be good to block out 1.5-2 hours so that we can walk the site/project and then have a follow-up sit down discussion.

12/19 - (10:30-1)

12/22 - (9-11)

Thanks,
