Dear Mr. Huerta,

I am a frequent patron of businesses in the area that will be directly impacted by the proposed development at the site of the historic Crossroads of the World. Traffic conditions are currently terrible and would only be made worse by a development of the the magnitude that is being proposed. Parking already is insufficient. What we need is sensible parking options like we see in Pasadena, Santa Monica, and Burbank. I also strongly oppose the demolition of historic buildings for this new development. It is not beneficial to the businesses I visit including The Egyptian Theatre, the Pig & Whistle, and Musso and Frank's Grill.

Thank you,

Irma
