Subject: Millennium Project

Dear Mindy,

Hi! I have been a resident of Hollywood since 1965 and watched the density and traffic & crime increase to the point of no return. What used to take 10 minutes to get somewhere, now takes 1/2 hour.

Also, as I'm sure you are aware, the construction of so many large multi-use buildings being built in Hollywood, has just exacerbated everything. On top of forcing small businesses OUT of business, spaces all over are not filled with lease signs in them, all is a disaster. The turnover of business in the current buildings is very high, here one day, then gone. Every single parking lot is now gone.

We only had 2 high rise buildings in Hollywood, now you can not even see the sun on most streets due to the overbuilding of Hollywood.

The Millennium project can & will only make every worse than it already is. On top of being unsafe due to being on earthquake faults.

Please do NOT approve this project for the sake of all of the people living & loving Hollywood.

Thank you.
