Re: Request for extension of Comment Period for Hollywood Center Project Draft Environmental Impact Report (“DEIR”); Case Number ENV-2018-2116-EIR; State Clearinghouse Number 2018051002

Dear Ms. Nguyen:

Our organization would like to thoroughly review the DEIR and participate with comments in a meaningful manner. However, it will not be possible within the 45-day comment period currently allowed by the City. Public safety and the immediate welfare of residents take priority over all other matters. COVID-related activities with which we are now engaged include food collection, heightened outreach, and senior assistance.

From the public’s perspective, there is nothing urgent about moving this project forward with only limited community participation. Even the Planning Department’s certified receipt notification to our PO Box sat unread for the first third of the 45-day comment period, as we now go to the Post Office only every two weeks.

Like so many other stakeholders, we are requesting that a 90-day DEIR comment period commence only after local and state stay-at-home orders are lifted.

Thank you,

Holly Purcell

President
