Dear Miss Nguyen.

I noticed the city extended the comment period for the Citizen M project:
https://planning.lacity.org/eir/citizenM%20Hollywood_Vine/DEIR/CommentExtensionNotice.pdf

The above mentioned project comment period took place **before** the global pandemic **currently taking place**.

I was wondering on what basis the city refuses to extend the comment period for the Hollywood Center project and how this compares to the extension the city provided to the related citizen M case.

Thank you for clarifying this issue.
