Project Issues Discussed in Document:

Aesthetic/Visual Fiscal Recreation/Parks Vegetation
 Agricultural Land Flood Plain/Flooding Schools/Universities Water Quality
 Air Quality Forest Land/Fire Hazard Septic Systems Water Supply/Groundwater
 Archeological/Historical Geologic/Seismic Sewer Capacity Wetland/Riparian
 Biological Resources Minerals Soil Erosion/Compaction/Grading Growth Inducement
 Coastal Zone Noise Solid Waste Land Use
 Drainage/Absorption Population/Housing Balance Toxic/Hazardous Cumulative Effects
 Economic/Jobs Public Services/Facilities Traffic/Circulation Other: Greenhouse Gases,
Energy, Tribal Cultural Resources

Present Land Use/Zoning/General Plan Designation:

Existing Use: Office, Recording Studio, Surface Parking Lot. General Plan Designation: Regional Center Commercial.

Project Description: (please use a separate page if necessary)

See attached Project Description.

Note: The state Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".

Local Public Review Period (to be filled in by lead agency)

Starting Date September 4, 2018

Ending Date October 4, 2018

Lead Agency (Complete if applicable):

Consulting Firm: ESA

Address: 80 South Lake Avenue, Suite 570

City/State/Zip: Pasadena, CA 91101

Contact: Addie Farrell

Phone: (626) 714-4610

Applicant: MCAF Vine LLC

Address: 1995 Broadway, 3rd Floor

City/State/Zip: New York, NY 10023

Phone: (213) 229-9548

Signature of Lead Agency Representative: _____

Date: 8/30/2018

Authority cited: Section 21083, Public Resources Code. Reference: Section 21161, Public Resources Code.

Project Description for the Hollywood Center Project

Notice of Preparation & Environmental Document Transmittal

1720-1724, 1740-1768, 1745-1753, and 1770 North Vine Street; 1746-1764 North Ivar Avenue; 1733-1741 North Argyle Avenue; 6236, 6270, and 6334 West Yucca Street
APNs: 5546-030-034, -004-020, -030-028, 030-032, -030-031, -030-033, -004-021, -004-032, -004-029, -004-006

September 4, 2018

The development would be comprised of a new mixed-use development (Project) on an approximately 4.46-acre site (Project Site) in the Hollywood Community Plan (Community Plan) area of the City of Los Angeles (City). The existing Capitol Records Complex, composed of the Capitol Records Building and the Gogerty Building, would be preserved; although portions of its supporting parking area along with some existing parking not adjacent to the Capitol Records Complex, would be reconfigured and relocated to the new East Site five-floor subterranean and grade-level parking garage. The remaining surface parking uses on the Project Site would be removed in order to develop a mix of land uses, including residential uses (market-rate and senior affordable housing units), commercial uses, parking, and associated landscape and open space amenities. Four new buildings are proposed, including a 35-story “West Building,” a 46-story “East Building,” and two 11-story senior buildings set aside for extremely-low and very-low income households (one building on each site). The Project would develop approximately 1,287,150 square feet of developed floor area, including 1,005 residential dwelling units (872 market-rate units and 133 senior affordable housing units) totaling approximately 1,256,974 square feet of residential floor area, approximately 30,176 square feet of commercial floor area (retail and restaurant uses), approximately 160,707 square feet of open space and amenities, 1,521 vehicle parking spaces, and 551 bicycle parking spaces. The Project would have a floor-area ratio (FAR) of 6.975:1 (up to 7:1), which includes the existing 114,303 square foot Capitol Records Complex (consisting of the 92,664 square-foot Capitol Records Building and 21,639 square-foot Gogerty Building), for a buildable area of 1,401,453 square feet.

Under a proposed Hotel Option associated with the East Site, in lieu of the East Building Residential development described above, the Hotel Option would replace 104 of the market-rate units with a 220 room hotel such that the proposed Project would contain 220 hotel rooms and 319 market-rate residential housing units (there would be no change to the building height and massing for East Building). Under the Hotel Option, the senior housing building on the East Site would be reduced from 11 stories to 9 stories and would contain 48 affordable housing units. There would be no change to the West Site described above under the Hotel Option. Thus, under the Hotel Option, the Project would develop approximately 1,272,741 square feet of developed floor area, including 884 residential dwelling units (768 market-rate units and 116 senior affordable housing units) totaling approximately 1,112,287 square feet of residential floor area, a 220-room hotel totaling approximately 130,278 square feet of floor area, 30,176 square feet of other commercial floor area, 147,366 square feet of open space and amenities, 1,521 vehicle parking spaces, and 554 bicycle parking spaces. The Hotel Option would have a FAR of 6.903:1 (up to 7:1), which includes the existing Capitol Records Complex, for a total buildable area of 1,387,044 square feet.

REQUESTED PERMITS/APPROVALS: Discretionary entitlements, reviews, and approvals required for implementation of the Project would include, but would not necessarily be limited to, the following:

1. Pursuant to the Los Angeles Municipal Code (the “LAMC”) Section 12.32-F, a Zone Change to C2-2-SN;
2. Pursuant to LAMC Section 12.32-F, a Height District Change for the Property to remove the D Limitation, which limits FAR;
3. Pursuant to LAMC Section 11.5.11(e) and subsequently California Government Code Section 65915(k) or the Applicable Housing Incentive Program, three incentives, concessions, reductions, or modifications of zoning code requirements to provide for affordable housing costs as follows:
 - A floor area modification bonus (35 percent from 6:1 FAR base) to allow additional floor area up to 7:1 FAR in lieu of the for a project eligible for up to 8.1:1 FAR;
 - A development modification for balcony floor area to exclude residential balconies and terraces from consideration as floor area, as defined by LAMC Section 12.03; and
 - A development modification to allow a greater number of smaller affordable units with less bedrooms and a different unit mix and unit type to accommodate Senior Affordable Housing Units in lieu of providing the requisite number of Restricted Affordable Units;
4. Pursuant to LAMC Section 12.24-W.1, a Master Conditional Use Permit for the sale or dispensing of alcoholic beverages for on-site and off-site consumption;
5. Pursuant to LAMC Section 12.24-W.19, a Conditional Use Permit for a unified development to allow floor area ratio averaging and residential density transfer between the East Site and the West Site;
6. Pursuant to LAMC Section 16.05, a Site Plan Review for a development that results in an increase of 50 or more dwelling units and/or guest rooms or generates more than 1,000 average daily trips;
7. Pursuant to LAMC Section 17.15, a Vesting Tentative Tract Map No. 82152 to merge (i) an alley to add 1,267 square feet to the Property and (ii) portions along the sidewalk of Yucca Street and both sides of Vine Street to add 5,114 square feet to the Property; associated haul route, and removal of 19 street trees; and
8. Pursuant to California Government Code Sections 65864-65869.5, a Development Agreement between the Applicant and the City of Los Angeles (anticipated to extend through 2040).

In addition to the entitlements identified above, approvals are also required from other City entities for the Project, including, but not limited to, approvals and permits from the City’s Department of Building and Safety and Public Works (and other municipal agencies) for Project construction activities, such as demolition, haul route, excavation, shoring, grading, foundation, building and interior improvements, and the removal and replacement of trees on public and/or private property.
