Subject: Hollywood Center Project - Public Forum

Good evening Ms. Nguyen,

I hope you and your loved ones are staying safe and healthy during this time.

I am writing you to express my firm opposition to the Hollywood Center Project as currently planned. With the height of the towers, all views north of my residence at The Broadway Hollywood will be obstructed and an overload of traffic would be introduced within just a few blocks of Hollywood and Vine.

More importantly, these towers will overshadow the iconic Capitol Records building which is an historic mainstay of the Hollywood skyline. These towers that are better suited for downtown and will disrupt our skyline and the more 'neighborhood' feel of Hollywood.

Although I (and every neighbor I know) adamantly oppose the current plan, I fully support alternate plans to construct the towers no more than 14-18 stories. The new construction in Hollywood has been exciting and is bringing a new vibrance to our streets, however, I believe it is important we don't lose the architectural integrity and ambiance of our neighborhood.

Thank you in advance for logging this communication as an official vote of opposition in the record of public comment.

Kind regards,

Nick Hryciw
Homeowner
The Broadway Hollywood
