---

I am very concerned with the proposed tower project, particularly being implemented in such a rushed fashion during Covid-19 quarantine.

I am in leadership with the following organizations which work for the health and welfare of people in the Hollywood community:

- Rotary Club of Hollywood
- The Salvation Army, located on Hollywood Blvd
- First Presbyterian Church of Hollywood on Gower and Carlos, which includes The Children's Center on LaBaig and Yucca.

One question:

'Why is the building of 46 stories deemed appropriate for the cultural and historic community of Hollywood, when currently the tallest buildings are not more than 20 stories?'

Thank you.
