The proposed Mello Act ordinance would amend the Los Angeles Municipal Code to implement the California Mello Act (California Government Code Sections 65590 - 65590.1).

This notice is mailed to persons who own property or are an occupant of property within the Coastal Zone, and 500 feet of the boundaries of the Coastal Zone.

The intent of the Mello Act is accomplished by regulating demolitions, conversions, changes of use, subdivisions, and new construction activities that involve existing or proposed dwelling units in Coastal Zone communities. These coastal communities include Venice, San Pedro, Wilmington, Del Rey, Pacific Palisades and Playa del Rey.

The City’s proposed permanent Mello Act ordinance specifies the process review and approval of proposed projects, the imposed requirements, and decision-makers and their responsibilities, to ensure that a proposed project is compliant with State law.

All interested persons are invited to participate in the Virtual Public Hearing which will be preceded by a Virtual Presentation and Q&A Session.

Following the public hearing, a written recommendation report will be prepared by Department staff for consideration by the City Planning Commission. After consideration by the City Planning Commission, the proposed ordinance will require final approval by the City Council.
