**ORDINANCE NO. \_\_\_\_\_**

An ordinance amending the Redevelopment Plan for the Adelante Eastside Redevelopment Project Area.

**WHEREAS**, the Redevelopment Plan for the Adelante Eastside Redevelopment Project was approved and adopted by City Council of the City of Los Angeles on March 24, 1999, by Ordinance No. 172,514, and was amended on October 31, 2003, by Ordinance No. 175,608 (pursuant to SB1045), (referred to as the Redevelopment Plan); and

**WHEREAS**, on June 27, 2012, the State enacted AB 1484, which in part, added Health and Safety Code Section 34173, including subdivision (i), which allows any city, county, or city and county, including those that did not elect to become the successor agencies, to request the transfer of all land use related plans and functions of the former redevelopment agency; and

**WHEREAS**, the City of Los Angeles did not elect to be a successor agency to the Former Community Redevelopment Agency of the City of Los Angeles (CRA) after the passage of Assembly Bill (AB) X1 26, the Dissolution Law; and

**WHEREAS**, on September 24, 2019, the City Council of the City of Los Angeles adopted a resolution requesting transfer of all land use related plans and functions pursuant to Health and Safety Code Section 34173(i); and

**WHEREAS**, the City requested the transfer in part to streamline the approval of housing in the City as every project in a redevelopment plan area was required to be reviewed by the CRA/LA-DLA, in addition to review under City entitlement review; and

**WHEREAS**, the Adelante Eastside Redevelopment Project Area covers portions of the Boyle Heights Community Plan Area and the Northeast Los Angeles Community Plan Area;

**WHEREAS**, the City initiated an update (Boyle Heights Community Plan Update) to the Boyle Heights Community Plan (Community Plan) to establish the City's goals, policies, and programs to implement the City's vision for the development of the Community Plan Area consistent with the Framework Element, the Mobility Plan, and the City's other General Plan elements; and

**WHEREAS**, the Community Plan Update includes a comprehensive review and update to the Community Plan and all City zoning ordinances and other applicable land use plans that implement the updated Community Plan, including without limitation amendments to the Zoning Map to rezone the zone and height districts in the Community Plan Area, amendments to the River Implementation Overlay District and the Clean Up Green Up Ordinance, and the adoption of the Boyle Heights Community Plan Implementation Overlay District; and

**WHEREAS**, the City Council finds the Adelante Eastside Redevelopment Plan is in conflict with the Community Plan Update by adding burdensome and unnecessary regulations and processes to the development of desirable housing and employment serving uses; and

**WHEREAS**, to the fullest extent of the City's authorities over the land use related plans and functions of the former Community Redevelopment Authority, the City now desires to amend the Adelante Eastside Redevelopment Plan to remove the Boyle Heights Community Plan Area from the Adelante Eastside Redevelopment Project Area.

**NOW THEREFORE,**
