Draft Concepts for Westside Plans Webinars: Presentations and Q&A

JOIN US AND FELLOW COMMUNITY STAKEHOLDERS

The draft plan concepts to be presented at the July webinars will feature draft land use concepts for each Community Plan. These draft concepts will be based on:

- Community Input from the project's Listen and Share Phase outreach.
- City Planning's Analysis of existing land use, zoning and development patterns.
- Local and Regional Objectives for housing, jobs, environmental sustainability, and quality of life.
