The Department of City Planning has embarked upon a three-year process to update four Community Plans for the Westside. Community Plans are the blueprints that guide growth in our neighborhoods by stating the community’s vision for the future, establishing policies, and designating land uses. Your completion of our survey will assist us in determining your perspective, concerns, and ideas for improvement.

For more information on the Westside Community Plans Update and upcoming events, please visit [www.planningthewestside.org](http://www.planningthewestside.org).
