Goals

MOBILITY

- Increase access to a variety of mobility options for all users

- Create cohesive pedestrian-friendly, mixed use corridors

MIX OF USES

- Promote safe, active, walkable streets to link to transit and amenities

WALKABILITY

- Create opportunities for more jobs and housing near transit

JOBS & HOUSING

- Support quality public gathering spaces for residents, employees, and visitors

PUBLIC SPACE

- Facilitate urban stormwater runoff treatment and improve water quality

- Create a safe and comfortable pedestrian environment

- Foster community identity and character

- Promote new, publicly accessible open space
