This series of community conversations will spark new ideas and shape a better future for Los Angeles! How can the City change and evolve over the next 20 years? What can we do to make Los Angeles thrive in an equitable way?

Participate in a plan for LA’s future

Each city and county in California must prepare a comprehensive long term general plan to guide its future. OurLA2040, the update of Los Angeles’s General Plan, strives to improve the quality of life and chart the course for how Los Angeles will grow and change over the next 20 years.
