SUBJECT: **LOCAL PUBLIC AGENCY LIST - LAMC SECTION 14.00 A.12**

The Interim Motel Conversion Ordinance (Ordinance No. 185,489) created new Los Angeles Municipal Code (LAMC) Section 14.00 A.12, establishing regulations to facilitate the use of existing hotels and motels for supportive housing and transitional housing for persons experiencing homelessness or those at risk of homelessness.

The ordinance includes a requirement for applicants to demonstrate a contract agreement is in place with a Local Public Agency. The purpose of this document is to make available the list of acceptable Local Public Agencies in accordance with LAMC Section 14.00 A.12.

For the purposes of LAMC Section 14.00 A.12, a Local Public Agency is defined as an agency, identified on a list maintained by the Department of City Planning, that funds Supportive Housing and Transitional Housing for persons experiencing homelessness or at risk of homelessness. This includes the following agencies:

California Department of Housing and Community Development
Community Development Commission of the County of Los Angeles
Los Angeles County Department of Health Services
Los Angeles County Department of Health Services, Housing for Health Division
Los Angeles County Department of Mental Health

If a Local Public Agency is not provided above, please contact the Department of City Planning for a request for consideration to be added to the list by contacting Cally Hardy at (213) 978-1643 or cally.hardy@lacity.org.
